Acknowledgements

In addition to the *VISTAS 2010* authors and reviewers, we want to express our special appreciation to:

Jillian Barr Joncas, VISTAS Project Coordinator, for her excellent database management, website development, and communication skills and her commitment to work through technical and logistical challenges to help us achieve ongoing improvements and enhancements to the VISTAS database.

Gretchen C. Porter, VISTAS Technical Editor, for her superior editing skills, including her thorough knowledge of APA style, attention to details, alertness to inconsistencies, and familiarity with the counseling literature.

Ashley M. DiGiuseppe, Graphic Designer, for her creativity in designing the striking cover that provides a foundation for the diverse voices found within VISTAS 2010.
